Connect Laptop to rm. 146 & 148

To connect to one of the Orbach library PBL rooms

1. First start by locating the connection hub on the wall right under the monitor.

2. Next determine whether your machine connects through HDMI or VGA labeled on the connection hub.

3. Here is an example of a VGA and HDMI cable
    *   VGA above
    *   HDMI below

Knowledge Base

4. Next locate the white power on button which is located on the right side of the monitor.

- The "Source" button is used to select your source EX: VGA or HDMI depending on your connection.

5. Once the monitor is on select HDMI1 source if connecting thourgh HDMI if connecting through VGA select "PC IN" as your source.
